

Join Other Colleagues in a LEARNING NETWORK!

Applying Behavioral Health Concepts into Local Health Department Practice

When: 3rd Tuesday of each month
1:00-2:00pm

Where: Virtual via Zoom

Who: Any Health Department staff

Learn and network with colleagues about opportunities to incorporate supports, strategies, policies, and resources into LHD practice.

We have identified four main areas of focus or “domains” where behavioral and mental health intersect with and are key for public health.

These are:

- Workforce Development
- Organizational Structure
- Clinical Workflow
- Community Efforts
